## Saint Anne Prayer

Good Saint Anne, obtain for me an increase of faith in the great mystery of the Holy Eucharist. Help me to see in this great Sacrament Christ our High Priest, making real for me the saving grace of His death on the cross; feeding my soul with His Flesh and Blood so that I may live in Him and He in me; producing the unity of the people of God and gathering His Church together. By your powerful intercession with God, help me to center my life around the altar that I may inherit the promise of the Lord: "He who eats my flesh and drinks my blood, has life everlasting." Amen.

### Quotes from Pope Francis

#### True Love is Boundless

The Holy Spirit, gift of the risen Jesus, conveys divine life to us and thus lets us enter into the dynamism of the Trinity, which is a dynamism of love, of communion, of mutual service, of sharing. A person who loves others for the very joy of love is a reflection of the Trinity. A family in which each person loves and helps one another is a reflection of the Trinity. A parish in which each person loves and shares spiritual and material effects is a reflection of the Trinity. True love is boundless, but it knows how to limit itself, to interact with others, to respect the freedom of others.

**Reflection:** In the Trinity the Father, Son, and Holy Spirit give themselves to one another freely and completely. We are called to reflect this Trinity in our relationships. Think of two or three friends or acquaintances in your life. Is your love unconditional? Does it reflect trust that the Lord will lead and guide them?
