Thirty-Second Sunday in Ordinary Time

November 12, 2017

Saint Anne Prayer

Good Saint Anne, obtain for me an increase of faith in the great mystery of the Holy Eucharist. Help me to see in this great Sacrament Christ our High Priest, making real for me the saving grace of His death on the cross; feeding my soul with His Flesh and Blood so that I may live in Him and He in me; producing the unity of the people of God and gathering His Church together. By your powerful intercession with God, help me to center my life around the altar that I may inherit the promise of the Lord: "He who eats my flesh and drinks my blood, has life everlasting." Amen.

MASS OFFERINGS

An individual may ask a priest to offer a Mass for several reasons: for example, in thanksgiving, for the intentions of another person (such as on a birthday), or, as is most common, for the repose of the soul of someone who has died. One must never forget the infinite graces that flow from the Sacrifice of the Mass which benefit one's soul. Please call the parish office, to have a Mass offered for your loved one.

The Wisdom of Bishop Frederick Baraga

To children: "There are many people who regret being lazy about studying when they were young: so study well and diligently."

Quotes from Pope Francis

Wonderfully Complicated

Jesus wants us to touch human misery, to touch the suffering flesh of others. He hopes that we will stop looking for those personal or communal niches which shelter us from the maelstrom of human misfortune and instead enter into the reality of other people's lives and know the power of tenderness. Whenever we do so, our lives become wonderfully complicated.

Reflection: *The seven corporal works of mercy are: feed the hungry, give drink to the thirsty, clothe the naked, shelter the homeless, visit the sick, visit the imprisoned, and bury the dead. It's easy to dismiss taking on one of these because they can inconvenience us and make us uncomfortable. But this is what encountering the poor is all about. Are you willing to have your life become wonderfully complicated?*
