## Epiphany Prayer

Lord Jesus, may Your light shine our way, as once it guided the steps of the Magi: that we too may be led into your presence and worship You, the Child of Mary, Mother of God, the Word of the Father, the King of nations, the Savior of mankind: in union with your heavenly Father and the Holy Spirit. You are One God forever and ever. Amen.

### Saint Anne Prayer

Good Saint Anne, obtain for me an increase of faith in the great mystery of the Holy Eucharist. Help me to see in this great Sacrament Christ our High Priest, making real for me the saving grace of His death on the cross; feeding my soul with His Flesh and Blood so that I may live in Him and He in me; producing the unity of the people of God and gathering His Church together. By your powerful intercession with God, help me to center my life around the altar that I may inherit the promise of the Lord: "He who eats my flesh and drinks my blood, has life everlasting." Amen.

## Reflections with Pope Francis

### Open Our Cold Hearts

We need to implore his grace daily, asking him to open our cold hearts and shake up our lukewarm and superficial existence....

How good it is to stand before a crucifix, or on our knees before the Blessed Sacrament, and simply to be in his presence! How much good it does us when he once more touches our lives and impels us to share his new life!

*Reflection: The chaplet of Divine Mercy has a beautiful prayer: "Eternal God, in whom mercy is endless and the treasury of compassion inexhaustible, look kindly upon us and increase your mercy in us, that in difficult moments we might not despair nor become despondent, but with great confidence submit ourselves to your holy will, which is Love and Mercy itself." Pray this prayer. Thank God for his mercy. Ask him to help you understand his plan for how you are to share it with others.*

## WHEN GOD WHISPERS

"You don't need to shout. My hearing works just fine."

Are you a parent that has used that one on your kids? I'm not sure at what age they realize that the volume of their voice doesn't correlate to the likelihood of receiving a favorable reply—it might be sometime in the teenage years, when the talking slows down altogether.

But I've got to admit, it would be nice if God always gave us a loud and dramatic sign when He wanted something—the booming voice and the torn-open heavens ("This is my beloved Son!") really get the message across. Sometimes I find myself envious of the Apostles, who were able to witness such things in person.

The fact of the matter is, in the year 2021, God is more likely to speak in a whisper than in a shout. The prophet Isaiah forewarns that Christ himself will not be a noisemaker—for all his preaching, he will not cry out or shout to bring forth justice to the nations. His way is altogether different than that.

We are not the Apostles, and we do not have the privilege of seeing the Holy Spirit descend on Christ like a dove. But here's the good news: God doesn't need to shout. Our spiritual hearing works just fine. We just have to be listening.

Let's wake up each morning ready to hear God's whispers throughout the day. Let's make a conscious effort to invite those whispers into our hearts, where they can become a catalyst for grace in this world.
