Saint Anne Prayer

Good Saint Anne, obtain for me an increase of faith in the great mystery of the Holy Eucharist. Help me to see in this great Sacrament Christ our High Priest, making real for me the saving grace of His death on the cross; feeding my soul with His Flesh and Blood so that I may live in Him and He in me; producing the unity of the people of God and gathering His Church together. By your powerful intercession with God, help me to center my life around the altar that I may inherit the promise of the Lord: "He who eats my flesh and drinks my blood, has life everlasting." Amen.

Reflections with Pope Francis

Meeting Jesus

Our whole life is an encounter with Jesus: in prayer, when we go to Mass, and when we do good works, when we visit the sick, when we help the poor, when we think of others, when we are not selfish, when we are loving ... in these things we always meet Jesus. And the journey of life is precisely this: journeying in order to meet Jesus.

Reflection: There are so many times in life when we can encounter God's mercy and give his mercy as well. Where have you encountered Jesus this week? What opportunities did you miss? Take time to think about him throughout your day.

St. Anne's Church has a long and rich history that began over 300 years ago. The Jesuits established their mission in 1670, beginning the presence of the Christian faith on the Island. The birch bark chapel was first located on Mackinac Island, then moved to St. Ignace, on the north shore of the straits, then Mackinaw City, on the south shore of the straits, and finally back to the Island, across the ice, in 1779.

Our written records date back to April 1695 and since that time our parish has seen the area occupied by the French, twice by the British and twice by the Americans. The parish has witnessed the rise and fall of the fur trade, the military garrison, and the fishing industry.

We welcome residents, seasonal employees, and all visitors to Mackinac Island. By worshipping in our parish you join a Roman Catholic tradition dating back 2,000 years and a 300 year old faithful Island community. By joining us, you are no longer a stranger here.

The Wisdom of Fulton Sheen

Modern prophets say that our economics have failed us. No! It is not our economics which have failed; it is man who has failed - man who has forgotten God. Hence no manner of economic or political readjustment can possibly save our civilization; we can be saved only by a renovation of the inner man, only by a purging of our hearts and souls; for only by seeking first the Kingdom of God and His Justice will all these other things be added unto us.
