Saint Anne Prayer

Good Saint Anne, obtain for me an increase of faith in the great mystery of the Holy Eucharist. Help me to see in this great Sacrament Christ our High Priest, making real for me the saving grace of His death on the cross; feeding my soul with His Flesh and Blood so that I may live in Him and He in me; producing the unity of the people of God and gathering His Church together. By your powerful intercession with God, help me to center my life around the altar that I may inherit the promise of the Lord: "He who eats my flesh and drinks my blood, has life everlasting." Amen.

Reflections with Pope Francis

Close to Jesus

How do we stay close to Jesus?
Through prayer, in the sacraments,
and also in the exercise of charity.
Let us remember that he is present in the
weakest and the most needy.

Reflection: *Pope Francis asks us how we stay close to Jesus. Ask yourself, though, if you really want to stay close. Does Jesus make you uncomfortable? Do you have trouble believing he hears you? Resolve this week—through prayer, the sacraments, and acts of charity—to invite him more deeply into your life, and then pay attention to those moments when he might be quietly drawing you closer to him.*

St. Anne's Church has a long and rich history that began over 300 years ago. The Jesuits established their mission in 1670, beginning the presence of the Christian faith on the Island. The birch bark chapel was first located on Mackinac Island, then moved to St. Ignace, on the north shore of the straits, then Mackinaw City, on the south shore of the straits, and finally back to the Island, across the ice, in 1779.

Our written records date back to April 1695 and since that time our parish has seen the area occupied by the French, twice by the British and twice by the Americans. The parish has witnessed the rise and fall of the fur trade, the military garrison, and the fishing industry.

We welcome residents, seasonal employees, and all visitors to Mackinac Island. By worshipping in our parish you join a Roman Catholic tradition dating back 2,000 years and a 300 year old faithful Island community. By joining us, you are no longer a stranger here.

The Wisdom of Fulton Sheen

Moral principles do not depend on a majority vote. Wrong is wrong, even if everybody is wrong. Right is right, even if nobody is right.

"What does love look like?

It has the hands to help others.

It has the feet to hasten to the poor and needy.

It has eyes to see the misery and want.

It has the ears to hear the sighs and sorrows of men.

That is what love looks like."
